It was not a dull year; few years are.
Neither was it a happy year . . .
Biafran children starved.
The threat of war in the Middle East grew
day by day.
And the war in Vietnam continued . . .
The nation lost two of its most charismatic leaders
in senseless, tragic shootings.
Many were dissatisfied and alienated.
In Washington, D. C., Mexico City, Chicago, Paris and Columbia University
cries of revolution and anarchy mingled with shouts of protest.
Yet it was a year which offered hope,
a year that ended on an optimistic note . . .
The world was unified as never before by three men
in a spaceship who verified what everyone
had suspected all along — that there really is just one Earth.
And the beat goes on . . .

In the beginning God created the heaven and the earth.

And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.

And God said, Let there be light: and there was light.

And God saw the light, that it was good: and God divided the light from the darkness.

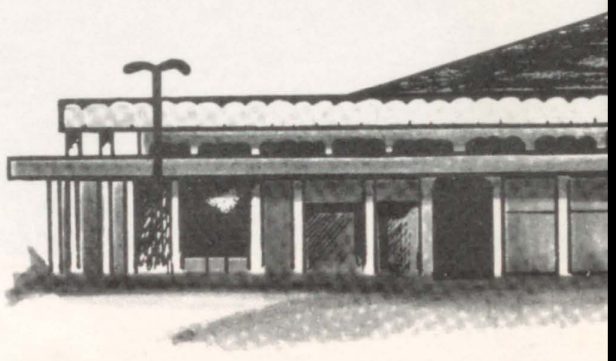
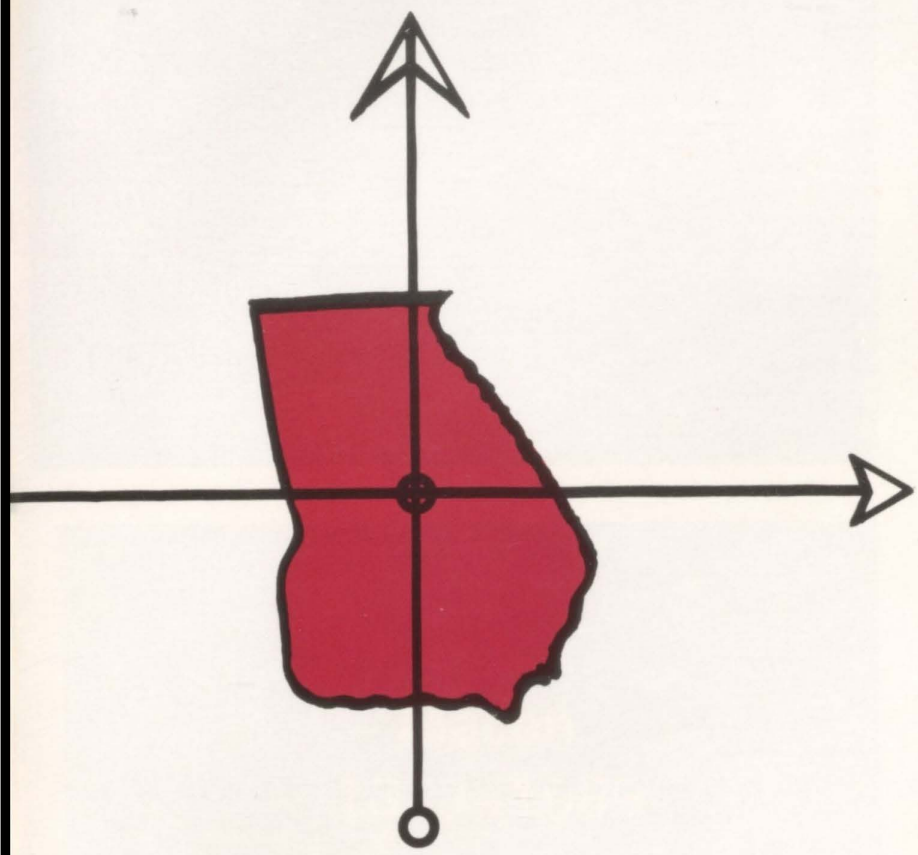
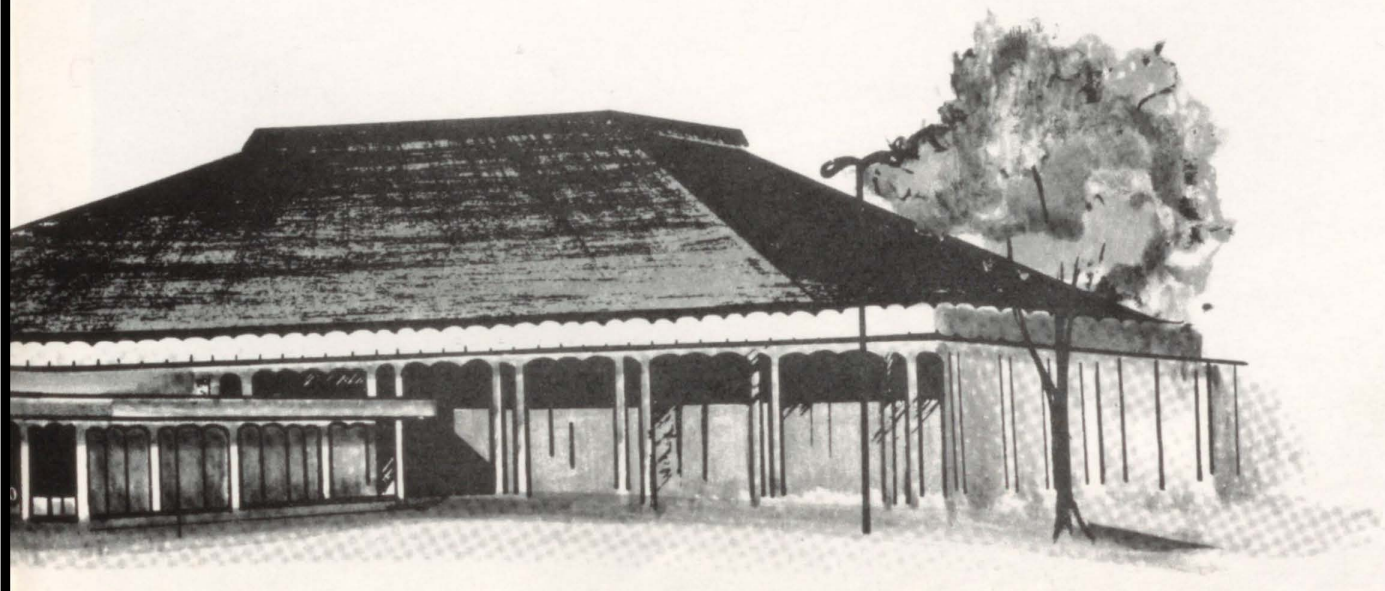
MACON!







Any growing city presents contrasts . . . the traditional, the modern; the tearing down, the building up; the hesitancy to change, the challenge to innovate. Macon's potential has been recognized; it has been cited as one of the ten fastest growing cities east of the Mississippi. The prediction that Macon will someday be part of a megalopolis stretching from Florida to Tennessee no longer seems fantastic. Macon residents live in a city "on the move."

Sept. 13

The Lanier Poets scored every time they got the ball in the first half, rolling up a 46–6 halftime lead, then coasted to a 59–12 rout of Appling's Wildcats. The win was an impressive debut for the Poets, who were favored to capture the 2-AAA East title.

The game was just as one-sided as the score indicated. Coach Godfrey Steiner substituted liberally but the touchdowns kept coming up.

Carlton Haywood led all rushers with 103 yards in 12 carries and three touchdowns.

Isaac Jackson carried the ball 11 times for **only** 56 yards and one touchdown.

The powerful Lanier defense stopped every Mark Smith offensive try and scored a touchdown while the offense rolled to four more touchdowns to completely crush the Bulldogs 34–0. Mark Smith made only four first downs, was forced to kick nine times, and crossed the 50-yard line only once.

The Poet offense demonstrated a powerful running attack, grinding out 282 yards. Isaac Jackson led the assault with 120 yards in 17 carries and one touchdown. Putnal, Faulk, Thomas and Summers each scored one TD.

Sept. 28

A fired up band of Baker Lions stunned Lanier by battling to a 7–7 deadlock and a spiritual victory. Bad luck and sloppy playing kept the Poets from pulling the game out. The most crucial mistake came on a clip after quarterback Mike Faulk had crossed the goal line on a 59-yard run in the first quarter.

The Poet defense played a great game, allowing Baker only 92 yards total offense and seven first downs. The Lions' only touchdown came on a 42-yard drive after a short punt. Jackson scored Lanier's only touchdown on an explosive 66-yard run.

Gil Schenks blocked a punt that Jerome Ryals recovered in the end zone for the first TD. Jackson scored on runs of 1, 1, 49, and 91 yards. A 70-yard Bikus to Heard pass accounted for the final touchdown. Northside scored on an 85-yard kickoff return.

Mike Hall kicked a 34-yard field goal in the first quarter to give Lanier a 3–0 lead on Ballard-Hudson. Three quarters later the score was still 3–0 and the Poets had won a vicious defensive battle with the Maroon Tigers.

Ballard-Hudson was put on probation a few days before the game and had to forfeit two of their previous games, but the team was fired up and the hard-charging defense stopped the Lanier offense cold.

The Lanier defense played superbly led by Thomas and Summers on pass defense and Schenks and Bell at the defensive ends.

Isaac Jackson and the Lanier defense laid to ruin the Warner Robins dream with a sparkling 21–13 victory. The Demons, ranked number one in Middle Georgia, could not match the rapidly improving Poets, even on the rain-soaked, muddy field.

Lanier carried a 14–0 lead at half-time on Jackson's two touchdowns. Robins rallied to close the gap to 14–7 on a fumble recovery in the third quarter. Both teams scored once in the fourth, but the Demons' PAT attempt was spoiled, and Lanier led by eight when the clock ran out.

Lanier broke the six year jinx Moultrie had held on the Poets with a rugged 5–0 defensive victory. Mike Hall kicked a 29-yard field goal in the first quarter, and with galling memories of last year's 7–3 defeat the Poets grimly held on for the win.

Moultrie moved the ball well, except inside the 20-yard line, where the fired-up Lanier defense got tough. In the second quarter Lanier held the Packers for four downs from the five-yard line.

Mike Hall tackled the Packer quarterback in the end zone late in the fourth quarter to give Lanier the final 5–0 margin.

Lanier celebrated Homecoming '68 with a tough 19–6 victory over the Columbus Blue Devils. Isaac Jackson gained 228 yards in 27 carries with one touchdown and Lee Bikus completed 7 of 12 passes for two touchdowns.

The Poet defense, led by Barnes, Ryals, Schenks, Putnal, Hicks, and Stewart dumped the Devil quarterback for 66 yards in losses. The Columbus offense was limited to minus 52 yards rushing. The Imps had better luck with their passing attack, gaining 187 yards and one TD. They threw the ball 29 times and completed 18.

Columbus stacked their defense in an attempt to stop the crushing Poet ground attack but Lanier gained 258 yards in spite of their efforts. Bikus came through with a clutch passing performance to wrap up the game for Lanier.

Columbus scored first to put Lanier behind 6–0 for only the second time all year.

Isaac Jackson gained 203 yards in 26 carries and scored three touchdowns. Mike Hall kicked eight straight extra points.

The Poets drove 80, 73, 35, 60, 74, 58, 58, and 18 yards for touchdowns. They kicked only once.

Lanier closed the regular season in style with a 21–7 victory over archrival Willingham. The Poets spotted Willingham seven points when Jackson fumbled and Price recovered in the end zone. The Rams were fired up, and in the early moments it looked as though they might spring an upset.

Isaac Jackson's 59-yard touchdown run in the second quarter tied the ballgame at 7–7. Jackson scored again from the 9 to move Lanier to a 14–7 lead at the half. He scored again in the third quarter on a sensational 82-yard run to put the game out of reach.

Lanier	0	16	7	0 – **23**
Baker	0	0	0	6– **6**

Lanier removed the only blemish from a gaudy 10–0–1 record with an easy 23–6 victory over the Baker Lions. In the third game of the season Baker stunned the Poets with a 7–7 tie, but this time it was a different story. Lanier breezed to three touchdowns, a field goal, and the Region 2-AAA championship.

Isaac Jackson led the offense with two touchdowns and 153 yards. Lee Bikus completed four of eight passes for 45 yards and one touchdown. Quarterback Mike Faulk ran for 63 yards in nine carries and Carlton Haywood gained 39 in 12. The offense ground out 280 yards rushing and added 45 more through the air.

Baker gained only 24 yards rushing and 64 yards passing and five first downs.

The Lions' only touchdown came in the fourth quarter after a pass interception returned to the Lanier 15. The drive was stopped until a pass interference call gave Baker first and goal at the one.

The first Lanier score came on a 25-yard field goal by Mike Hall early in the second quarter. After Marty Allman intercepted a pass at the Baker 38, Lanier drove in three plays to the seven, where Jackson scored to make it 9–0. Hall missed the PAT. Andy Summers recovered a fumble at the Baker 21 to set up the second TD. Jackson scored from the five as time was running out in the half. Bikus hit Giddens for the final touchdown in the third quarter after Jackson's 40-yard run to the 17.

The region championship was the first for a Macon school since 1956 when Lanier was the 1-AAA champion with a 9–0–1 record.

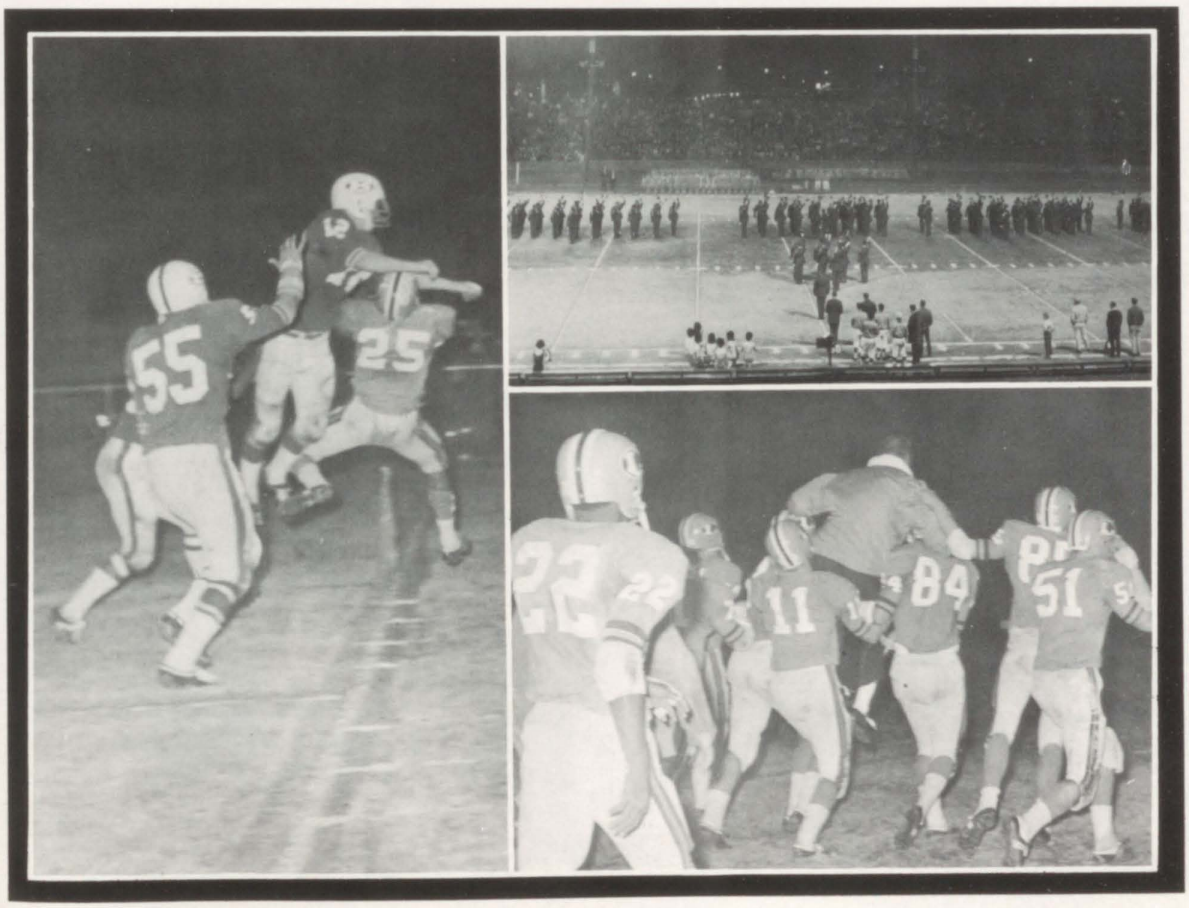
Next . . . Valdosta —



On November 29
15,000 fans watched
Valdosta defeat Lanier
in the first round
of the state playoffs.

Top-ranked Valdosta, with flawless execution and a strong, aggressive defense, ripped past Lanier 27–7 in what was virtually the state championship game. The Cats scored on their first drive after a Lanier punt to take a 6–0 lead. They drove 56 yards in eight plays; the PAT was missed. Lanier took the kickoff, couldn't move, and punted to the Valdosta 25. Valdosta moved to the Lanier 32 as the quarter ended. The Poets held on fourth and eight.

From the Poet 26 Isaac Jackson made his most unbelievable run of the season to put the Wildcats behind for the first and only time all year. With 7:57 left in the half Lanier held a 7–6 lead. Isaac swept wide to the left, breaking out of three clusters of tacklers and outrunning the rest, for 66 yards and six points.

The Cats reacted violently, taking the kickoff and moving in for a TD to make it 13–7. Lanier couldn't move after the kickoff; two punts later the half ended and Valdosta carried a six point lead.

Lanier took the kickoff to start the third quarter, lost five yards in three plays, and kicked to the 37.

This time it took Valdosta 10 plays to go 63 yards. The PAT made it 20–7.

After the kickoff, Bikus lofted a 37-yard bomb to Jackson at the Valdosta 33. The Poets moved the ball to the ten, but there the going got tough. On fourth down, a pass to Haywood failed to go and Valdosta took over. They took the ball 91 yards in 15 plays for seven points and put the game out of reach.

The final score read 27–7.

In the final regular season contest Lanier played what was undoubtedly the season's worst game, scoring only 39 points while the Ballard-Hudson Tigers hit 96. At the end of the second quarter the game was beginning to become ridiculous with Ballard-Hudson leading 40–18. In the second half, playing against the subs, the Tigers rolled up 56 points and were approaching the century mark when the final buzzer sounded.

The game was lost in the second quarter; Lanier was shooting so cold that they were missing layups alone under the basket. The leading scorer was Mike Lavender with **nine** points.

The loss gave Lanier a regular season record of fourteen wins and nine losses, four of those losses coming at the beginning of the season. In the first four games the team was handicapped because several players did not finish football until the end of November. However, in the Christmas Tournament the team loosened up and played together and began winning ballgames. Coach Lamar Deaver deserves much credit for a remarkable job of making this year's team a success.

To supplement a strong academic program, the Lanier Military Department offers an extra dimension in your educational process. In addition to molding character and building citizenship, the entire Lanier ROTC program serves as a leadership proving and training ground. This "headstart" in the art of leadership has been proven successful by the accomplishments of graduates from this school for the past fifty years. The military training at Lanier is not designed to be effortless; life itself is not easy, and each of you has a role in the future as custodian of this nation's strength and defense. The objectives of the Lanier ROTC unit can be summed up in three challenging words, DUTY, HONOR, COUNTRY — words which dictate what you can be, what you ought to be, and what you will be. The fact that every able-bodied young man must serve for a minimum of six years in some area of military service will make your ROTC training much more meaningful in the near future. Some seemingly insignificant military technique learned as a student cadet might prove to be a lifesaving measure. I know that our present Lanier graduates will lead Macon and the nation in this new space age, and I am confident that they will do it well.

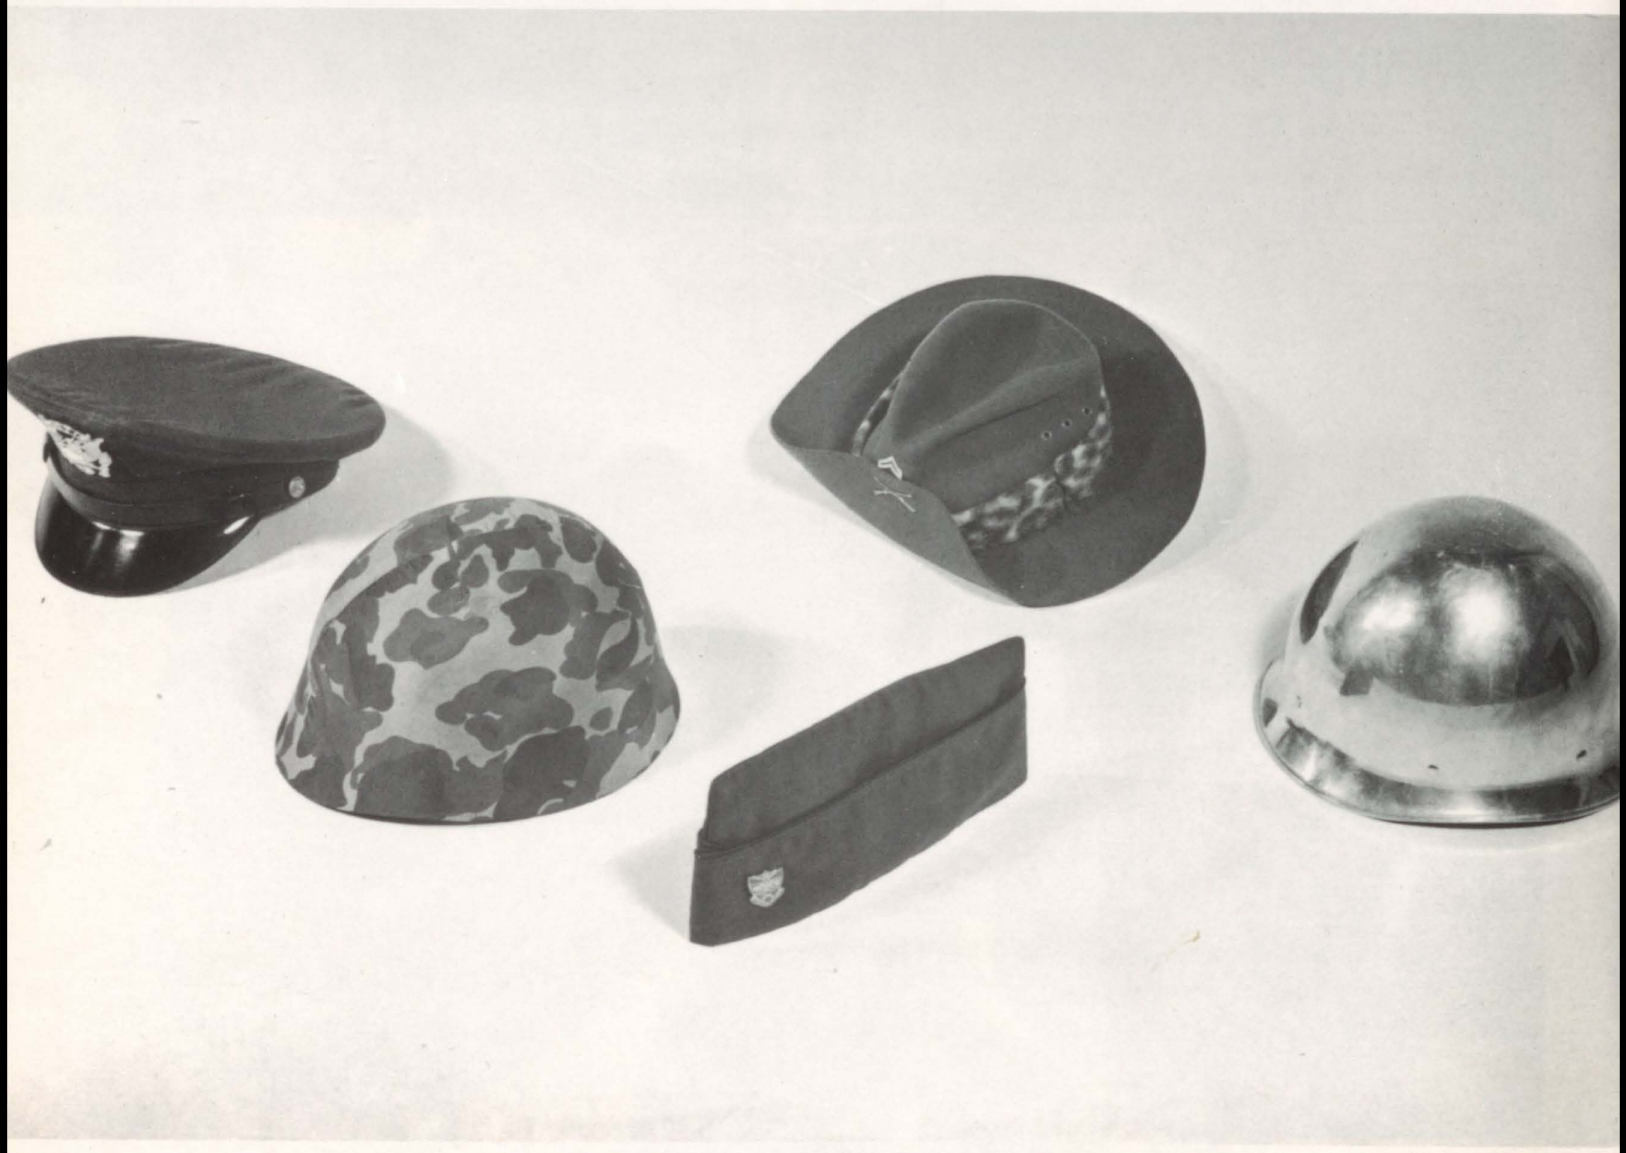
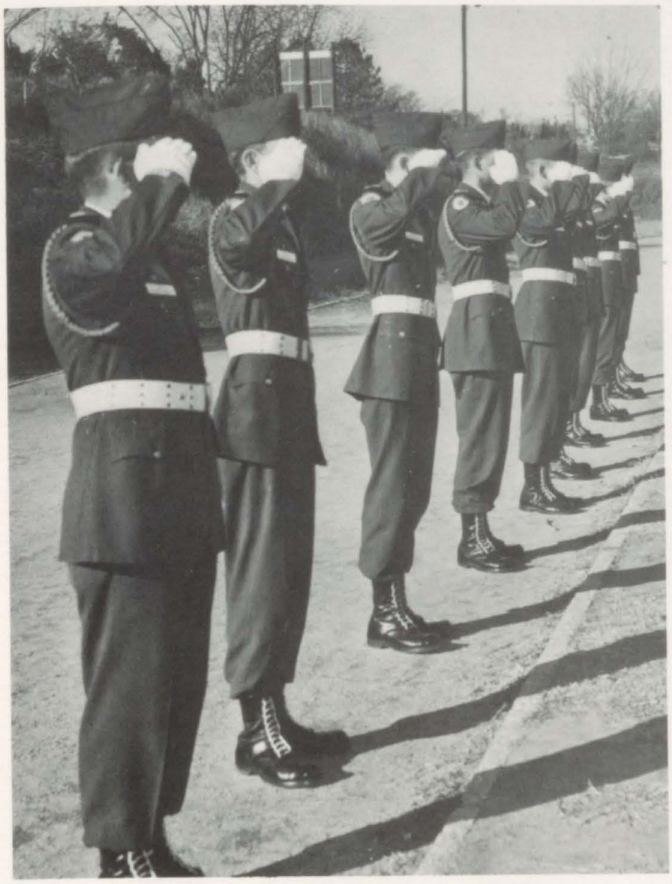
HATS OFF . . .





Almost any hat can tell a story . . .
a Texan's ten-gallon hat,
a dusty baseball cap,
a shiny silk top hat.
At Lanier a hat can tell a story . . .
a private's garrison cap,
or a captain's service cap,
a crack squad's fancy gear,
or the color guard's polished helmets.
A story of leaders and followers.
A story of goals and accomplishments.

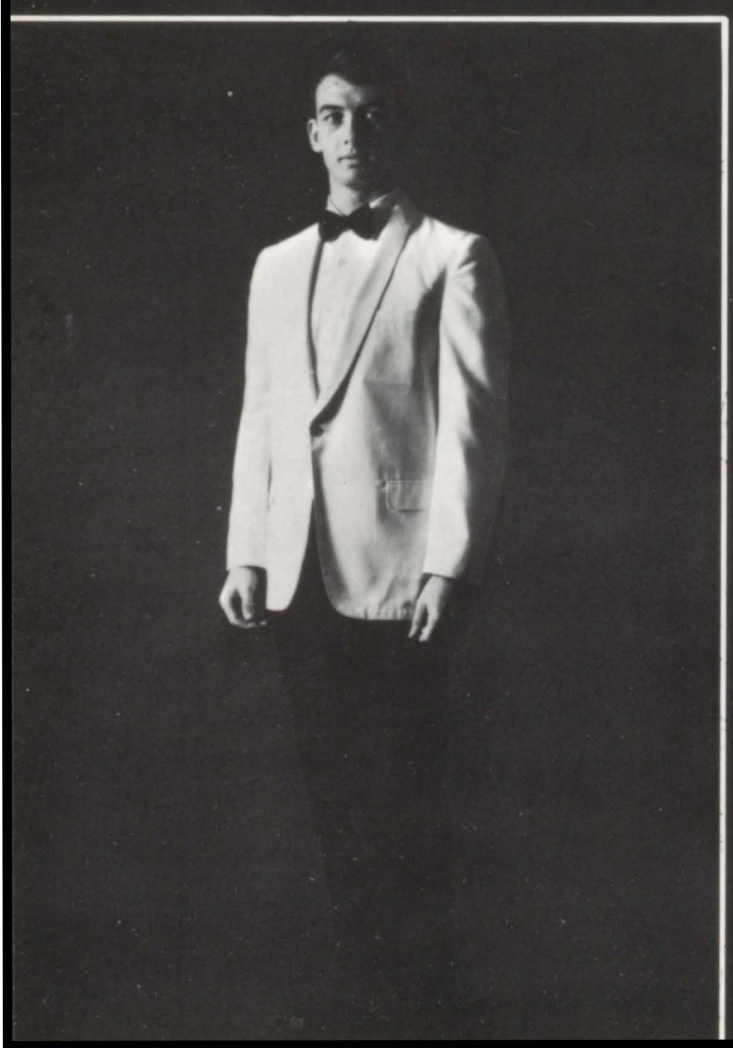
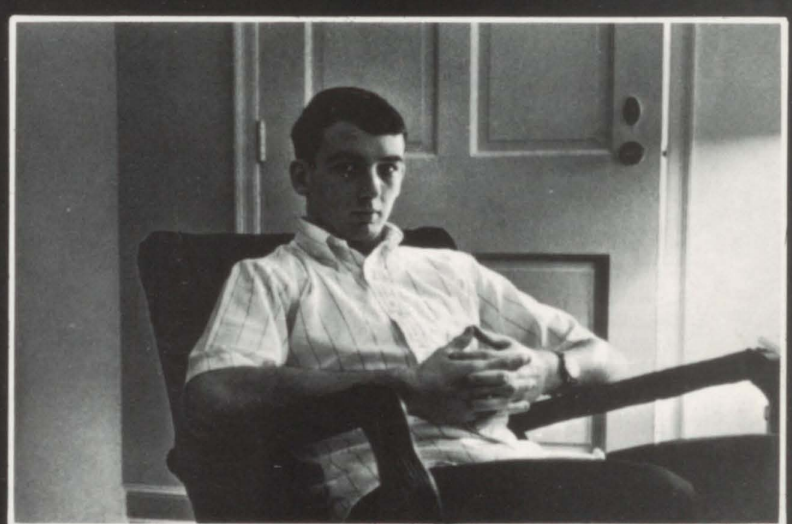
Governor's Honors

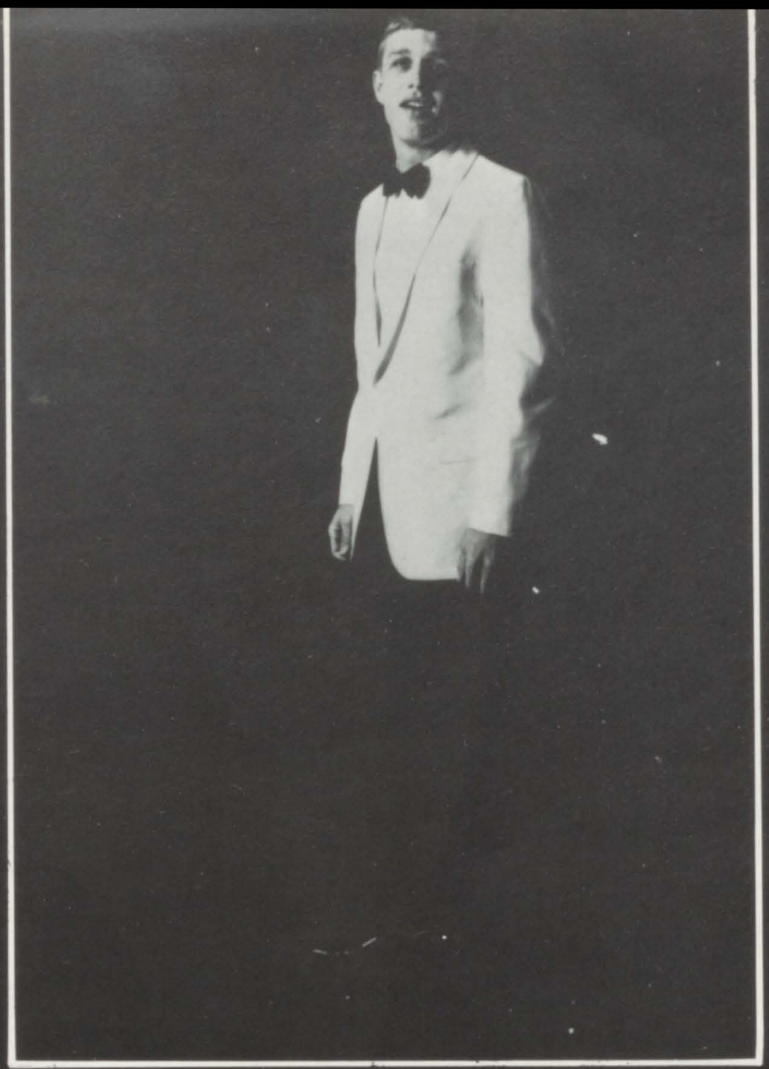
PEGGI ALFORD — Most memorable for her ability to do anything and everything well. Cheering Lanier on to victory, conjugating a verb, receiving the Queen's crown — Peggi is that versatile soul, the Well-Rounded Girl.

Senior





MARTY ALLMAN — As a capable student, a versatile athlete, and a loyal friend, Marty Allman has upretentiously created for himself the right to be recognized as an outstanding Lanierian.



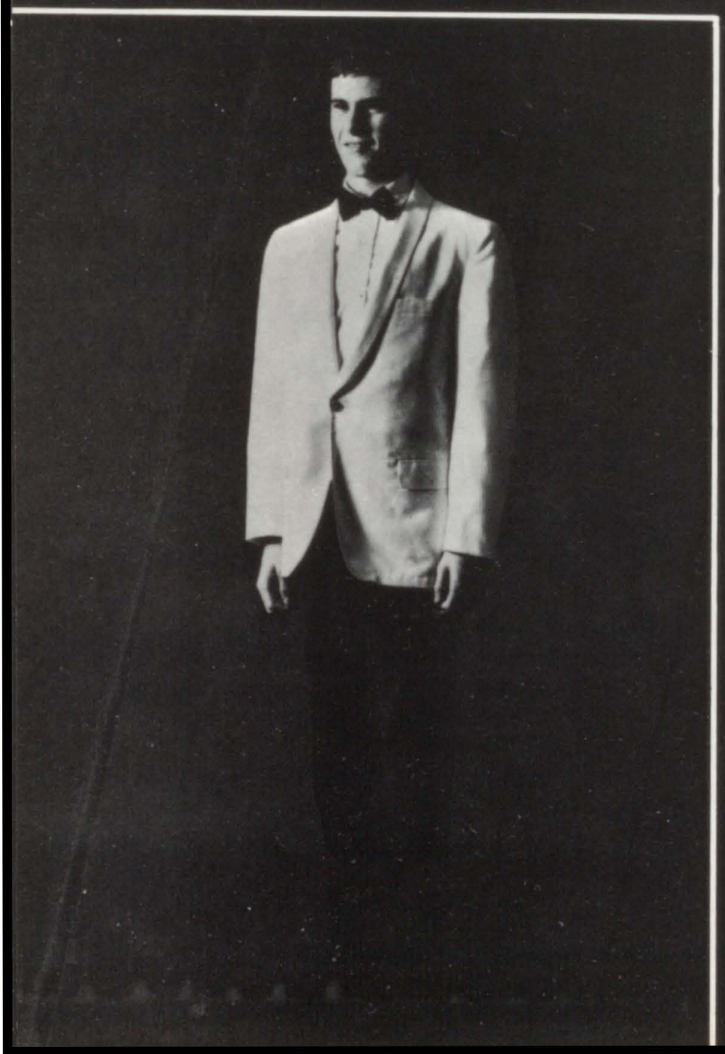
STEVE McWILLIAMS — Steve McWilliams is never satisfied until he has given his very best. His conscientious effort to excel in all areas of student life has led to well deserved honors and recognition.

superlatives

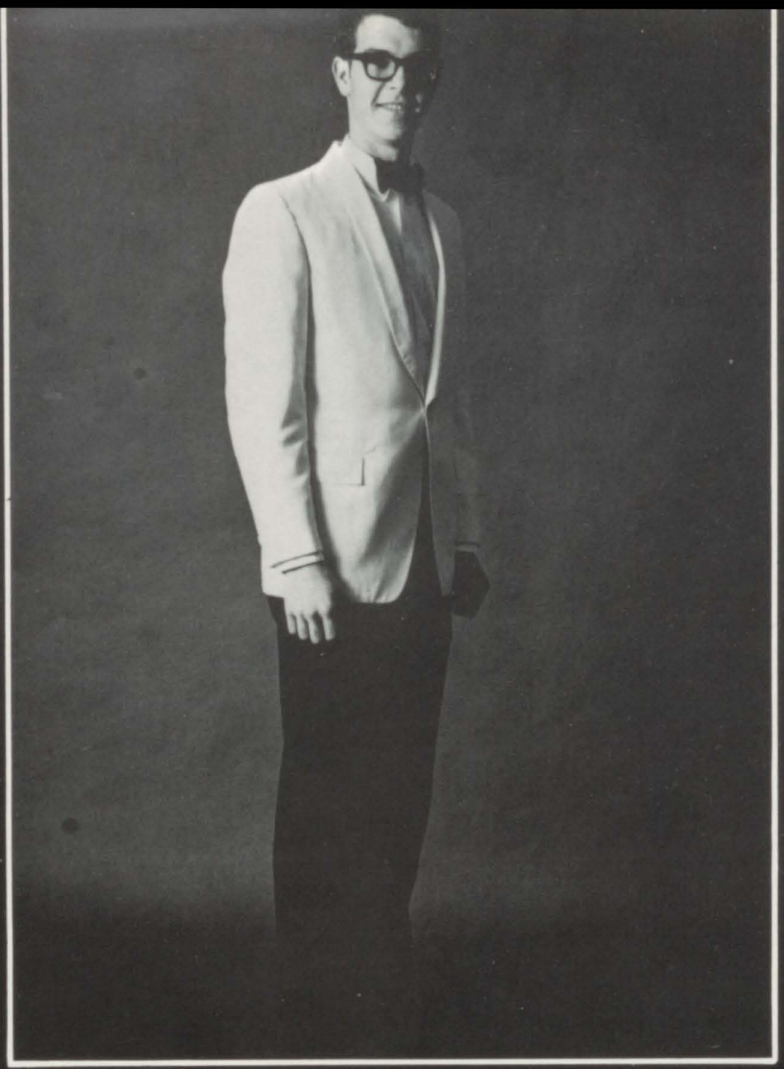
MOIRA BLOOR — A stranger to guile. She is a paradox of open sincerity versus a teasing nature.

PATRICIA WALL — Everybody's friend. An inately happy person, forever sharing her spirit and warmth with all.

Senior



NEIL SKENE — In an unobtrusive manner, Neil Skene, editor of **The Poet Leader**, renders service to his school and his classmates. His special ability to excel in academics and extracurricular activities has earned for him the title of superlative.



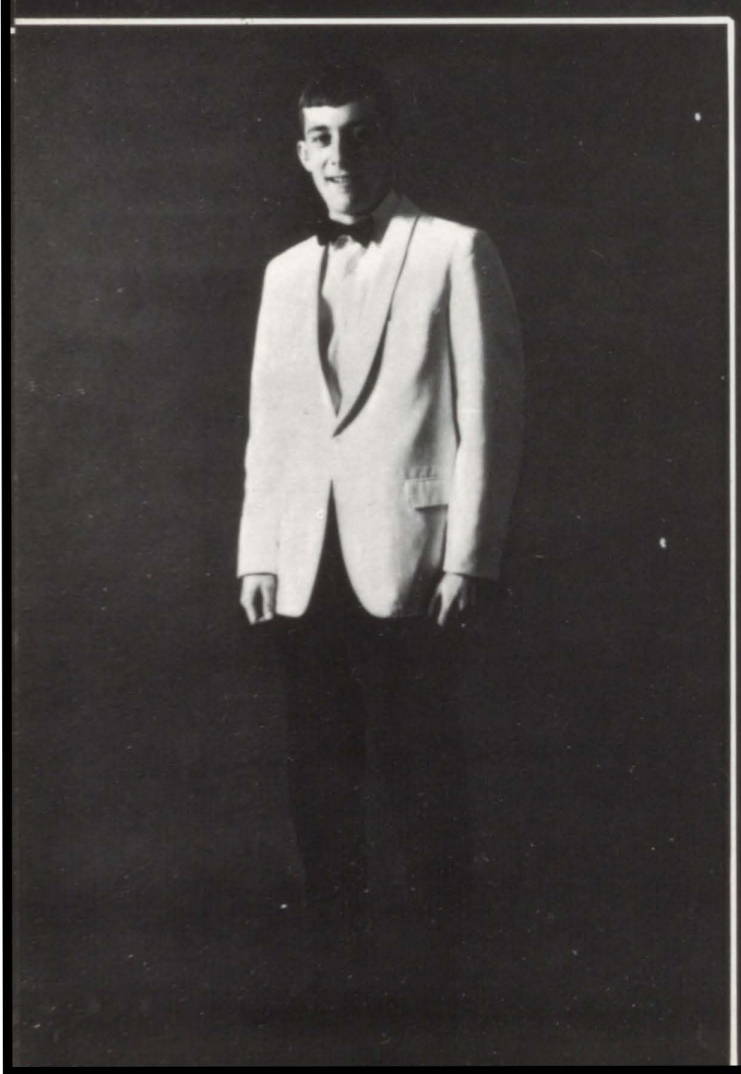
CRAIG WYNN — Mature, self reliant, sure of his goal — in Craig Wynn his peers see an oustanding student and citizen whose potential is sure to be realized in professional and civic responsibilities.

superlatives

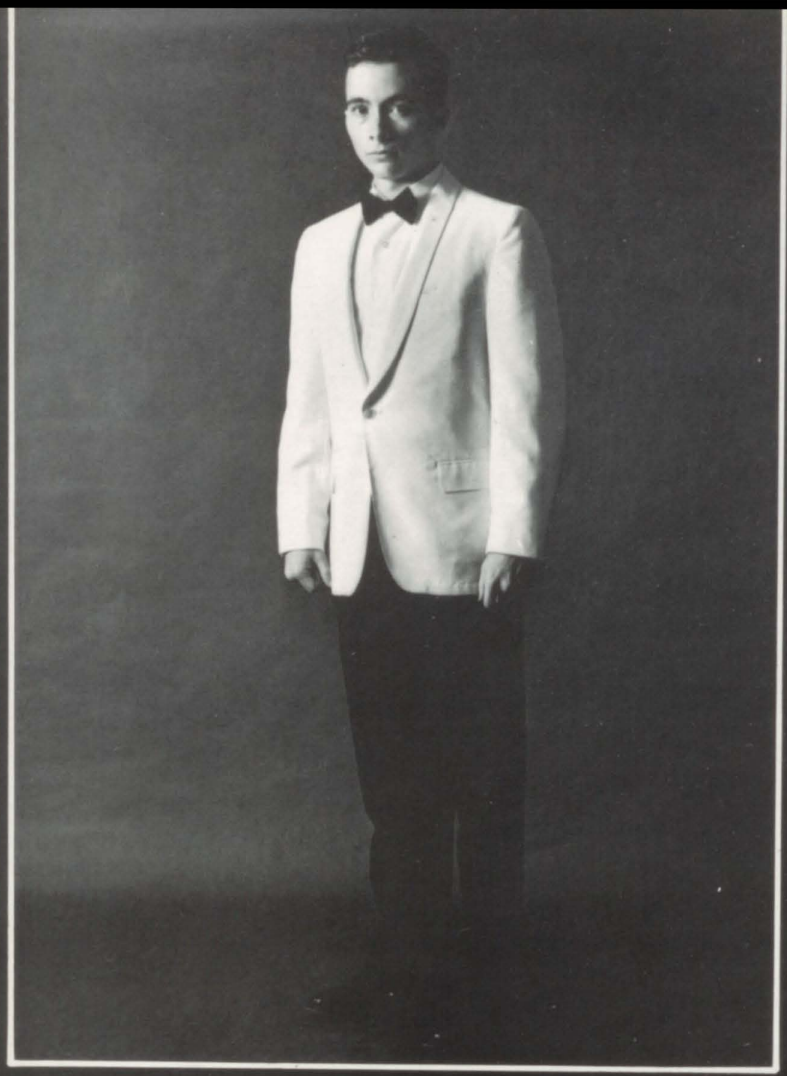
LOU BURKHALTER — An instinctive diplomat. Her perception and poise are surpassed only by her determination and talent for organization.

VIVICA PIPPINGER — Her unexpectedly reserve nature cannot conceal her illimitable enthusiasm and boundless energy.

Senior

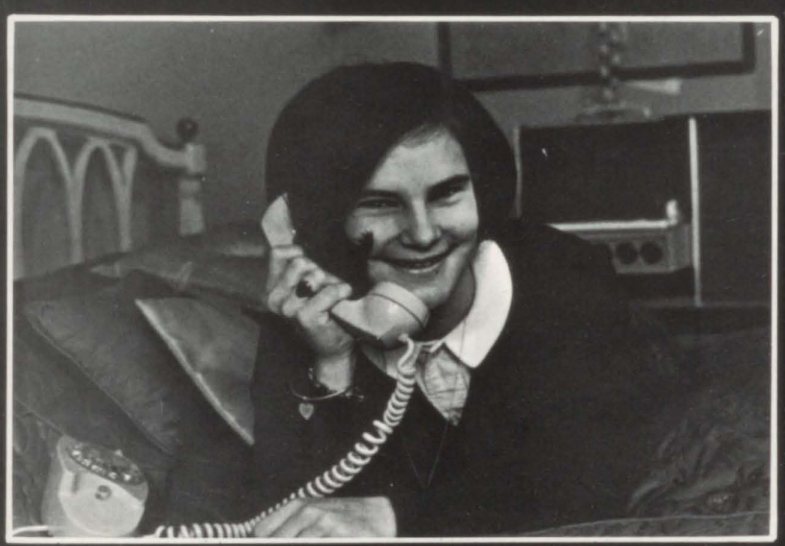


SANDY GILES — Quiet, resourceful, industrious, affable — each adjective describes a facet of Sandy Gile's character and personality and explains his qualifications for being a Lanier superlative.



FRANK DeFore — Frank DeFore is exceptionally dependable. As editor of **Sabers and Sashes,** as brigade adjutant, and later as company commander, Frank proved his capability to lead and to serve.

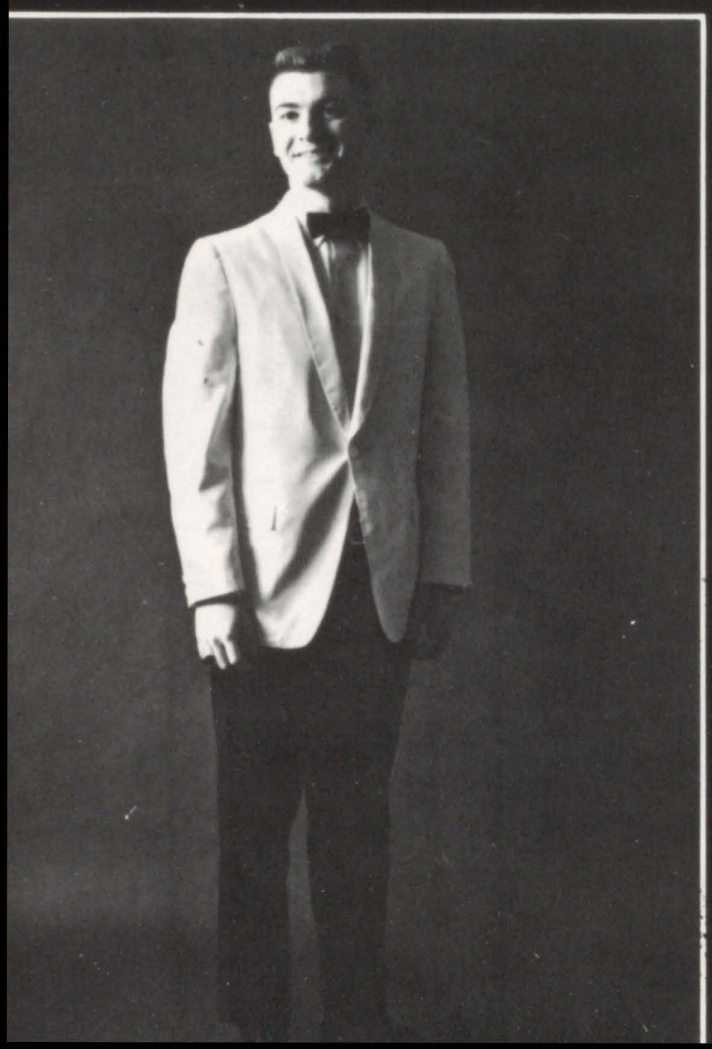
superlatives

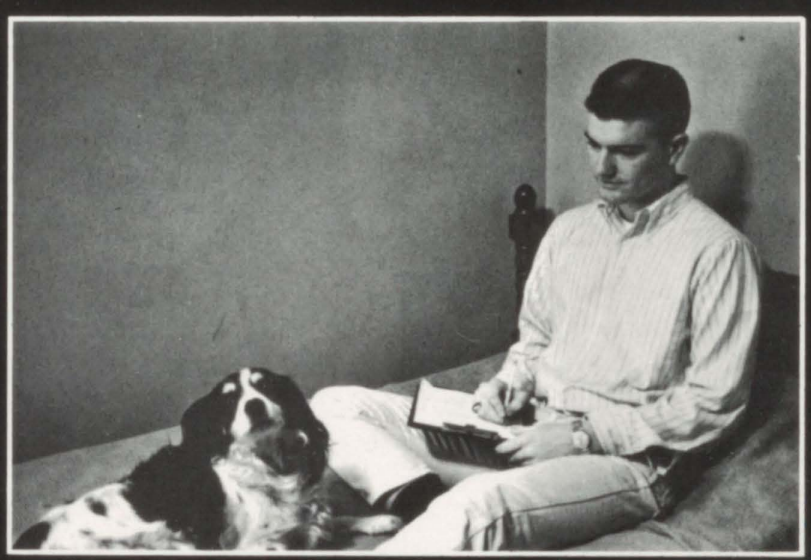


TARY SCHATZ — Her name is a synonym for friendliness, personified by an unrestrained grin and a cheerful concern for others.

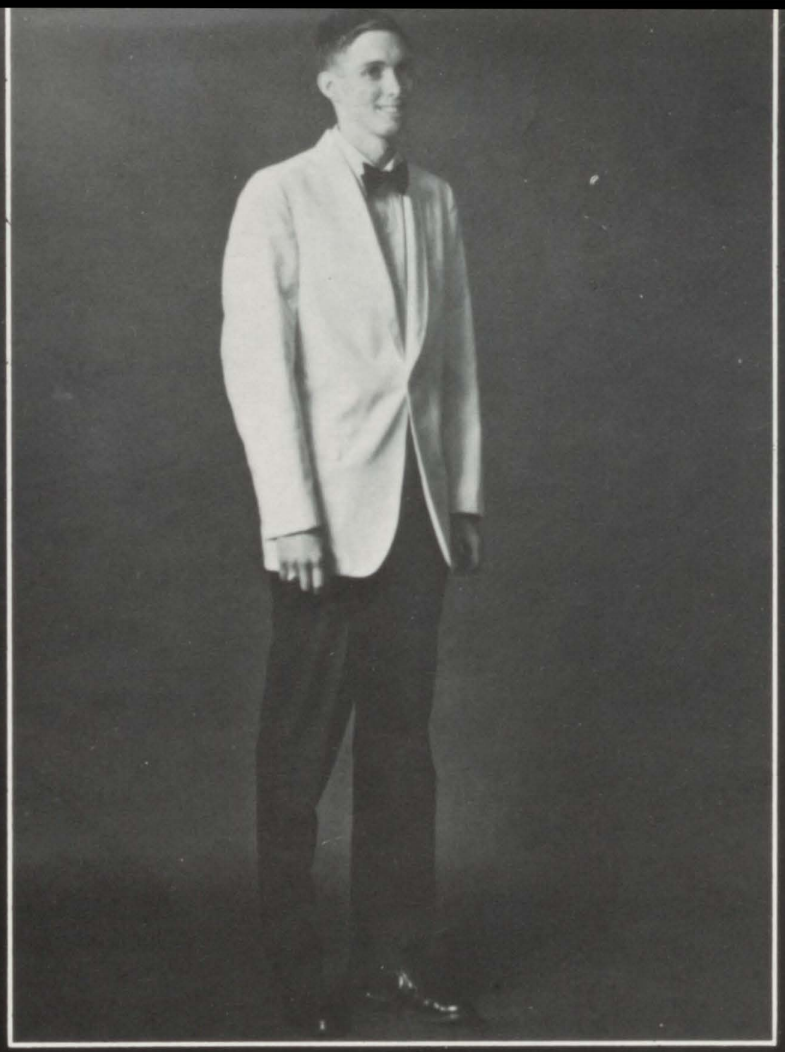
PAT DEVANE — The catalyst that activates the Class of '69. She reaches for responsibility, responds to every dilemma with a laugh and a solution.

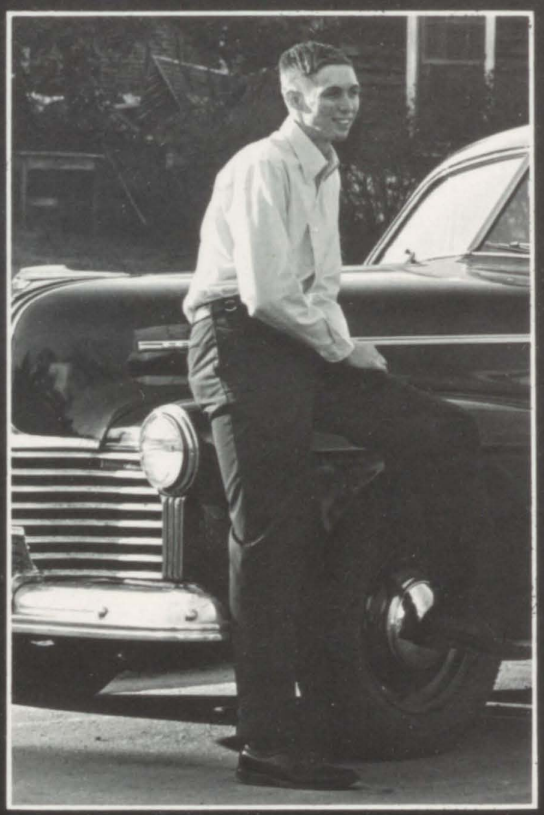
Senior





CRAIG CALDWELL — A leader is always recognized. Cadet Colonel Craig Caldwell has quietly and competently excelled in academics, student government, and military training at Lanier. His example is worthy of imitation.





TOMMY THOMPSON — Tommy Thompson is vitally interested in his fellowman. As president of Lanier's Student Council, he is liked and accepted because he is always ready to listen and consistently respects the right of others to disagree.

superlatives

KATHY SCHOCH — A mirror of naiveté, reflecting the heart of a perfectionist and the head of a perpetual mover.

That was the week that was — Spirit Week '69. A new, more restrained atmosphere led to peaceful competition rather than open fights, as in past years. Tigers were thoroughly confused . . . Rabbits were desperate for a win . . . Roadrunners were eager to do it again. Bad weather tried to dampen our spirits, but didn't get away with it as bicycle motorcades and plaster of paris floats ambled to ye olde schoolyard. The surprise climax of Friday was the announcement of a junior-senior tie. Keep your spirits up, Tigers — '70 is just around the corner. And Miller Unity Day was the most successful on record.

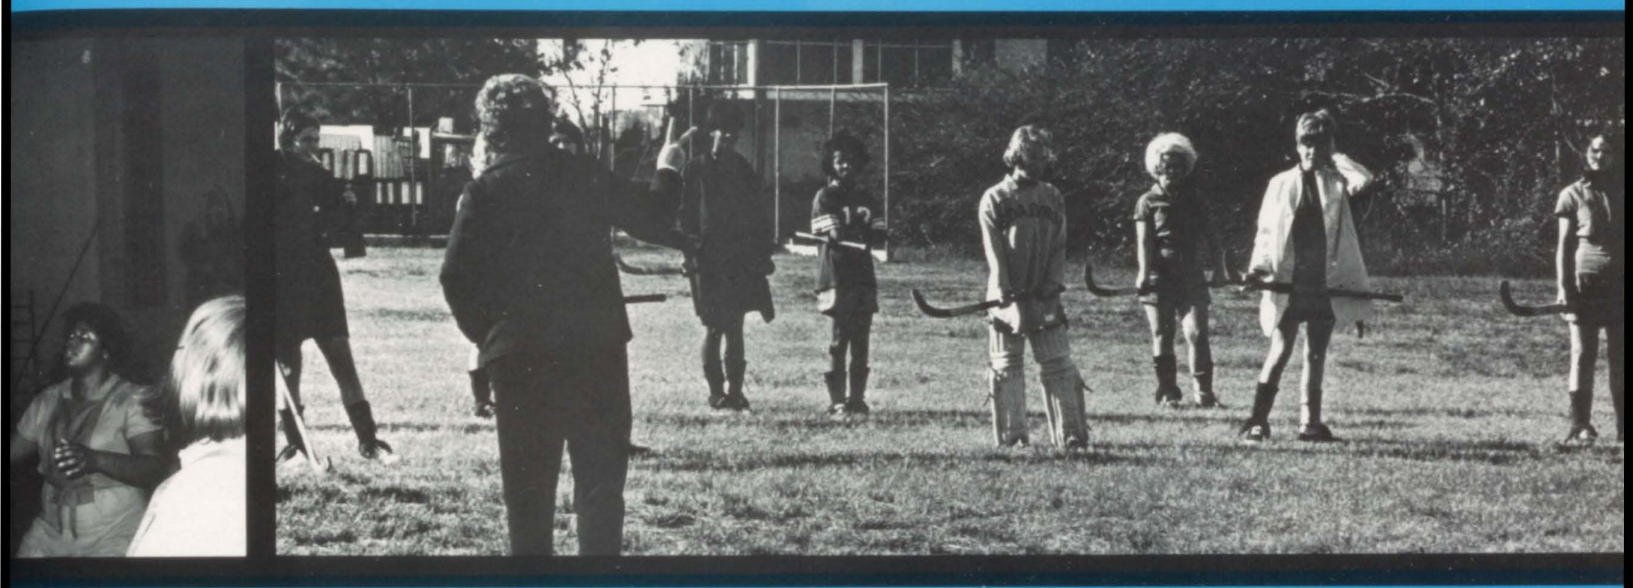
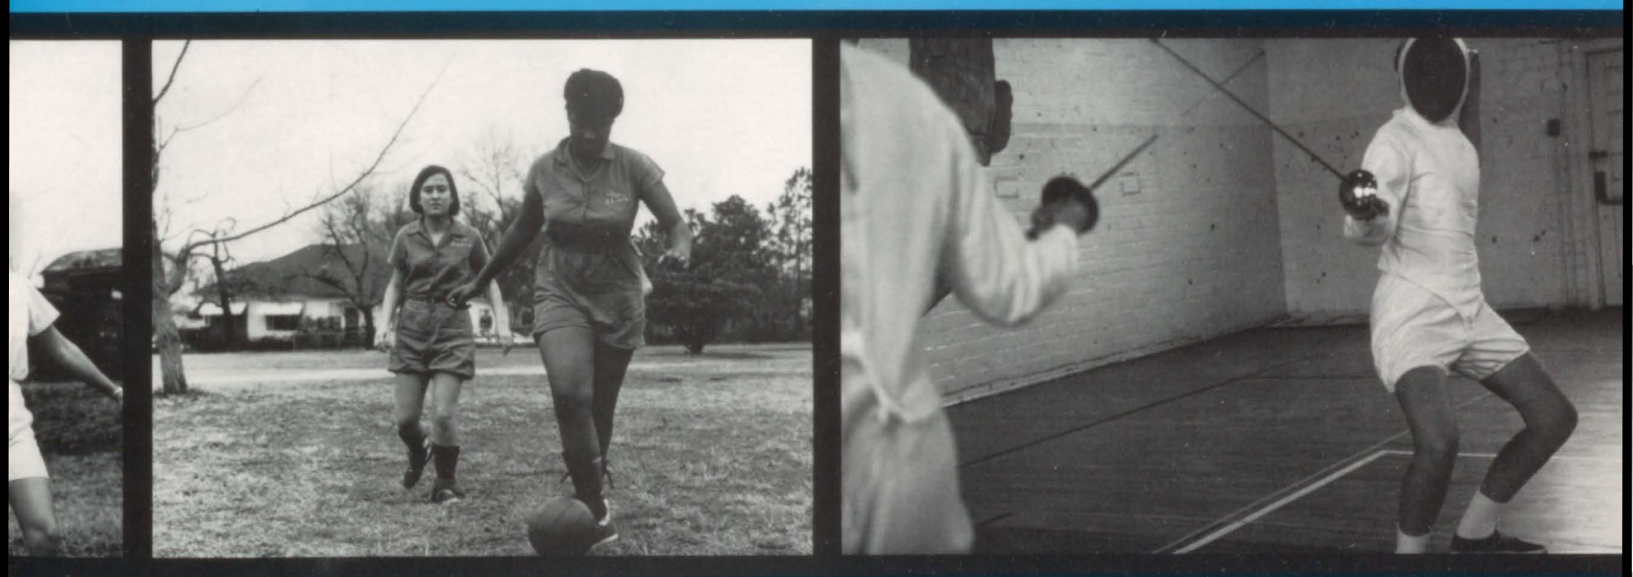
SPORTS

The sports program at Miller is designed to present a variety of new opportunities for achievement to the young athlete. Old regulars like volleyball and basketball are modified by the addition of modern dance classes, fencing groups, soccer and hockey teams. Through the regular exercise periods, girls shape up to music. The aim of the department is fulfilled — a well-rounded program for the well-rounded girl.





1924

Then, on April 18, 1967, disaster struck. Fire broke out and quickly spread over the entire third floor. At 2 A.M. a passerby saw the blaze and notified the fire department. Seven pumper trucks, two ladder trucks and 110 firemen sped to the scene of the general alarm blaze.

Quick thinking and well organized action saved many important records. The trophies symbolizing many of Lanier's past accomplishments were carried to safety.

After more than three hours of determined effort, the firemen brought the blaze under control. The grand old building lay in ruins. The auditorium was completely destroyed. The third floor was a shell; the first and second floors were severely water damaged.

In 1927 a tradition was begun . . . Lanier Senior High School was built. Over the years many new traditions were established as Lanier gained a reputation for excellence in academics, athletics and military training. Many capable and dedicated men have led Lanier. From her halls have come many great leaders and outstanding athletes. However, the success of Lanier cannot be fully measured by her leaders alone. Just as much a part of Lanier's tradition has been the student who had genuine pride in his school and respect for her authority. Such was Lanier . . .

Indicative of the Lanier spirit, many students soon arrived to aid in removing priceless possessions from the burning school.

Almost as soon as the fire was out, preparations were begun to resume school. Two days later double sessions were begun at Lanier Junior. In a speech to the student body Mr. Wall praised everyone for his cooperation during a very difficult period. Double sessions continued the remainder of that year and the next. Then . . .

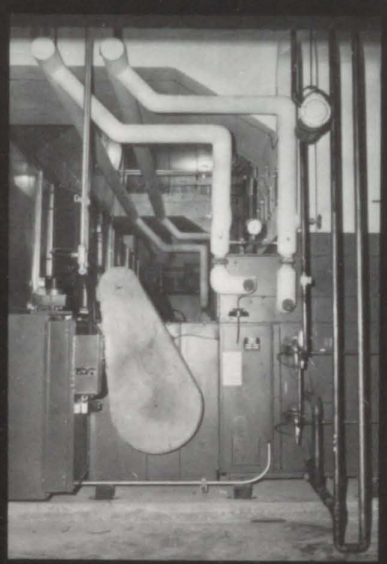
1968

. . . another tradition was begun. Work began on a new Lanier in the spring of '68. Clark-Wincey promised our new classrooms by September. But they would have to hurry . . .

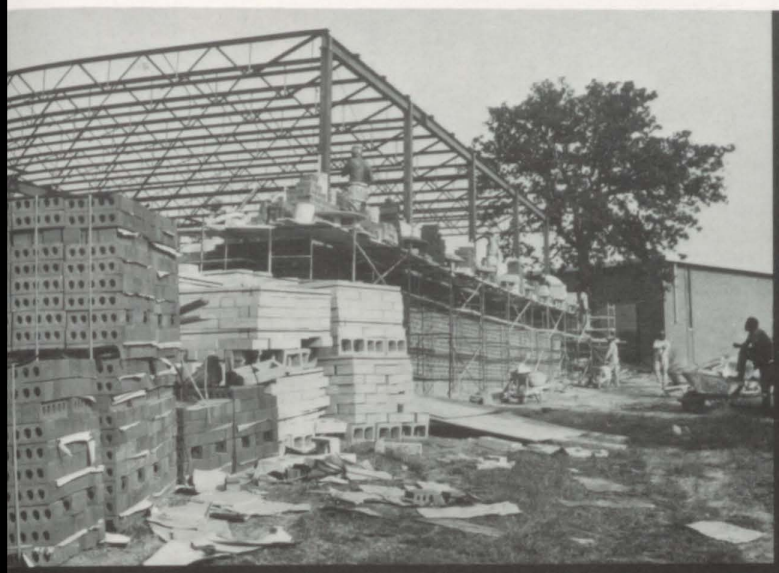
They worked hard. The men were eager and willing (between occasional strikes) to provide us with our new school. Working overtime, never stopping, they slaved on.

With their deadline nearing, the construction company became desperate. Faithful members of our military department were anxious to lend a hand.

PIPES!



Looking to the future, Lanierians realize that upholding old traditions is not enough. With pride and determination each new class must establish its own goals and make its own contributions to the greatness of Lanier.



December 2 . . . the glorious day! Students for the first time entered the new Lanier.

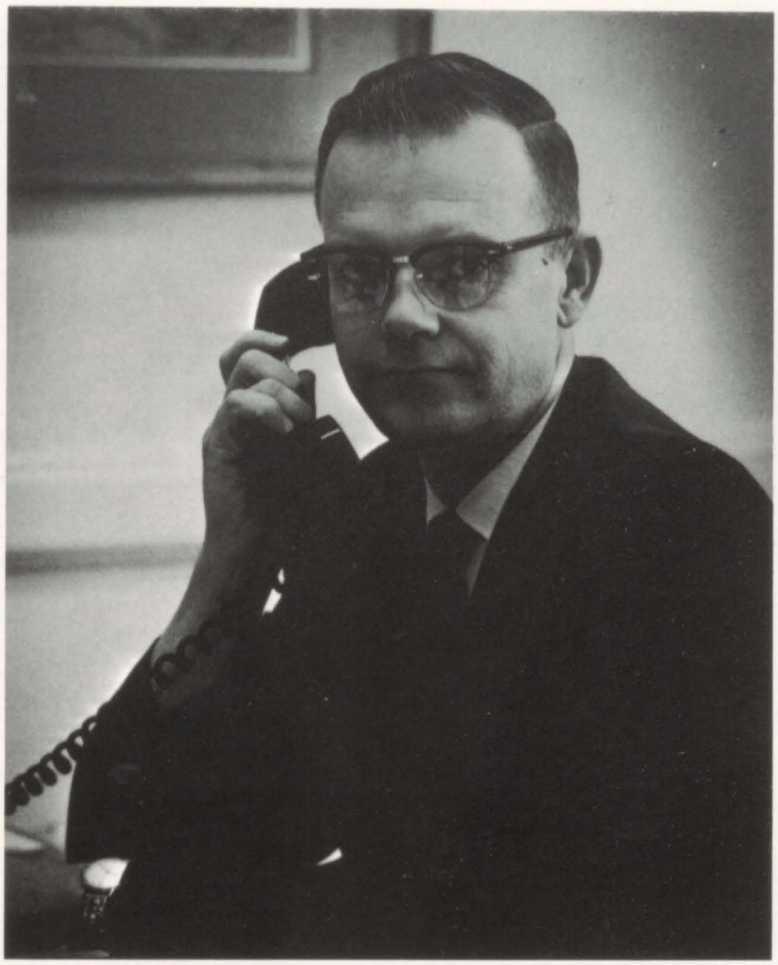
William B. . . .



William E. Bell, Principal

Something old, someone new, Miller, having passed another milestone, is thirty-eight years old. The "someone new" is Mr. William Bell, former principal of Miller Junior High. Since joining us from junior high, Mr. Bell's leadership has been potent and progressive. His efforts as an administrator are recognized by faculty and students alike as effective and successful. Junior high's loss was our gain.

Without a cooperative staff, the principal is merely a figurehead. The Mind benders are an essential element to the smooth operation of the Miller machine. From the gym to the chemistry lab, every instructor is a learning experience to her classes. Each Miller teacher is an individual in her own right, lending her dignity and personality to achieve the Miller Image.

There is an Honor in Business that is the fine gold of it; that reckons with every man justly; that loves light; that regards kindness and fairness more highly than goods or prices or profit. It becomes a man more than his furnishings or his house. It speaks for him in the heart of everyone. His friendships are serene and secure. His strength is like a young tree by the river.
